Payment Options:

There are three payment plan options, 1) Pay in full (due August 1), 2) pay in two payments (due August 1 and January 1), pay in 10 monthly installments (due the 1st of each month). Monthly payments will be made through our FACTS management system.

The first monthly tuition payment is due on August 1, 2021 and the final payment is due May 1, 2022.

Admission clearance will be required for the first day of school indicating the first month's (August) tuition is paid prior to the first day of class (August 18).

Registration Fee:

Returning families must submit the Intent to Return form and pay the registration fee by January 31, 2021 through FACTS to secure a spot for the 2021-2022 school year.

New families have two weeks from the receiving date of the acceptance email to pay the registration fee to secure a spot for the 2021-2022 school year.

Registration Fee Protection (COVID-19):

Should a family decide not to attend the Preschool and Pre-K program due to the school being unable to provide an in-person learning scenario, Vista Ridge Academy will refund the family the \$500 registration fee minus a \$50 administrative fee. The family must submit their decision in writing no later than August 1, 2021 to qualify for the refund.

Withdrawals:

Space is limited in our Preschool and Pre-K program and many families are placed on a waiting list. If payment is made prior to August 1st and notification of withdrawal from the program is received after August 1st, tuition for August will be non-refundable. If notification of withdrawal is given after the first of any month during the school year a refund will not be given for partial attendance of that month.

Tuition Delinquency:

Any family whose tuition account reaches one (1) week delinquent (seven (7) days late) at any time during the payment schedule, faces financial suspension. When financial suspension is imposed, the student will not be permitted to return to school until all tuition and fees are paid in full.

Please be advised that if we have not received the August tuition by August 7, 2021, we will assume you are not retaining your child's classroom position, and we will fill that spot with a child who is on our waiting list.
