

Summer Activities for 2nd – 3rd Grade Students

Math

Review math facts: Do Xtramath, math flashcards, or other math fact fluency fun.

Practice math skills on IXL or Happy Numbers.

Bake or cook: This is great fraction and measurement practice.

Set up an obstacle course and time how long it takes to complete. Track times and see if you can beat a record! Can you calculate how long other summer fun might take?

Reading

Read every day! Read inside, outside, and in the car. Read aloud to a stuffy, pet, sibling, or parent.

Join the summer reading program at the library. FREE and lots of great prizes!!

Writing

Keep a summer journal.

Write a story or script.

Write cheerful messages with sidewalk chalk.

Write to a pen pal.

Science and Social Studies

Plant a garden and take care of it. Observe it closely.

Hunt for bugs and animals. Observe their habits (from a safe distance.)

Bible

Keep a prayer journal. Read your favorite Bible Storybook.

Make encouraging cards for neighbors, friends, or family.

Life Skills

Go outside every day. Move your body each day. Take charge of 1 or 2 household chores and complete them well. Take a swim class. Try something new! Have fun! Relax! Can't wait to see you next year!

Let me know if you need login info or if you'd like to share any of your work!
